Subject: - Reply to Your letter dated 06.05.2017 in response to Hon'ble High court order W.P. NO. 3386/2017

Dear Sir,

It is refer to your letter dated 6.5.2017 and Hon'ble court judgment in W.P. NO 3386/2017. Hon'ble court has mentioned as follows; " in case petitioner submits a detailed representation pointing out the steps taken by it for fulfilling the shortcomings or in the alternative showing that it has fulfilled the requirement for affiliation as provided under the statute for the afore said subjects within seven days from today, then the university /authority shall consider such representation and if need being cause a physical inspection to verify the facts mentioned in such representation within a further period of ten days and shall decide the representation on or before 30th June 2017. "

As far your representation is concerned you have enclosed only bills of specimen (Zoology, Botany) Physics lab material bills dated 6.9.2016. There is a bill of chemicals dated 20.9.2016 and a bill of books dated 18.11.2016. No other enclosure has been submitted.

As far M.Sc. Zoology in concerned you need two laboratories' for M.Sc. (Pre & final) one each (statute 27) but as per inspection committee report you did not have required Laboratories. After Hon'ble court decision you have not developed the required Laboratories. You do not have qualified faulty as per UGC norms

needed for B.Sc and M.Sc. Teaching hence your claim for permission in session 2017-18 for M.Sc. Botany is not justified. As far M.Sc. Mathematics is concerned non availability of qualified faculty as per UGC norms does not merit consideration for 2017-18.

As far B.Sc. (chemistry, Botany Zoology , physics) You have been given 60 seats in each group the inspection committee which visited Your college on 22.3.2017 has shown that college have one laboratory each in Botany Zoology and Chemistry. The committee has also mentioned that Laboratories are not upto the mark. As per statute 27 there is a need of one laboratory each for Botany, Zoology, Physics and Chemistry for a batch of 60 students hence the seats given to you are as per statute 27 and can be increased when you increase the members of laboratories in each subjects. You do not have qualified faculty as per UGC norms for Teaching Botany , Zoology, Chemistry, Physics and Mathematics at B.Sc. level .Shortage of Laboratories and absence of teachers does not merit any consideration. As far M.A. in History and Sociology is concerned absence of qualified faculty as per UGC norms does not merit any consideration.

In Your letter dated 6.5.2017 You have not submitted any documentary evidence and Visual support documents suggesting the fulfillment of requirement as desired by statute 27 for courses mentioned by you .Hence your Application does not merit consideration.
