

Registration Form

Name.....

Affiliation.....

Status (Student/Scientist/Faculty).....

Designation.....

Email.....

Mobile/Phone No.....

I shall attend the Conference and present a paper (Oral/

Poster)

Accommodation required (Yes/No)

Paper title.....

For more details, please visit: <http://www.jiwaji.edu>

The registration fee should be paid electronically to the

REGISTRAR, Jiwaji University, Gwalior
Central Bank of India
A/c No. 3190562389
IFSC Code : CBIN0283189
MICR Code : 474016012

Organizing Committee

Chief Patron

Prof. Sangeeta Shukla

Vice Chancellor, Jiwaji University, Gwalior

Registrar

Prof. I.K. Mansoori

Jiwaji University, Gwalior

Convener

Prof. Radha Tomar

Jiwaji University, Gwalior

Local Organizing Committee

Prof. D.D. Agrawal

Prof. A.K. Halve

Prof. S.K. Srivastava

Prof. S.K. Gupta

Prof. R.K. Tiwari

Prof. O.P. Mishra

Prof. S.K. Singh

Prof. P.K. Tiwari

Prof. Avinash Tiwari

Prof. G.B.K.S. Prasad

Prof. Nalini Srivastava

Prof. Sanjay Gupta

Dr. Hariendra K. Sharma

Dr. Suman Jain

Prof. K.S. Thakur

Prof. D.N. Goswami

Prof. A.K. Srivastava

Prof. Avinash Tiwari

Prof. S.N. Mohapatra

Prof. Hemant Sharma

Prof. S.K. Shukla

Prof. A.P.S. Chauhan

Prof. S.S. Tomar

Prof. M.K. Gupta

Dr. S.D. Sisodia

Dr. Ganesh Dubey

Dr. Keshav Singh Gurjar

Prof. A.K. Singh

Prof. Yogesh Upadhyay

Prof. S.K. Dwivedi

Prof. Umesh Holani

Prof. Suvijna Awasthi

Dr. Sameer Bhagyawant

International Conference on Role of Spectroscopy in Chemical Sciences 21st -23rd November, 2019

Organized by

School of Studies in Chemistry, Jiwaji University,

Gwalior-474011, India

Sponsored by

University Grant Commission, New Delhi

&

DRDO, New Delhi

Handwritten signature and date: 22/11/2019

Aim of the Conference

"Role of Spectroscopy in Chemical Sciences" (RSCS-2019) aims to study spectroscopic interaction between matter and electromagnetic radiation. It is the most imperative and promising tool for the structural investigation of chemically relevant systems. This International Conference will provide a forum for interaction of Scientists, researchers, academicians and students. This conference will foster the establishment of long term relationship among various institutions from India and all over the world. It is expected that RSCS-2019 will contribute to update knowledge in the field of Chemical Sciences and will encourage the young researcher for promoting newer research endeavours in the challenging domain of current Science.

Weather

During November the temperature lies around 25°C at Gwalior M.P.

About Jiwaji University

Jiwaji University situated at Gwalior was established by the M.P. University Act of 1964 as a State University with affiliated colleges of Gwalior and Chambal division of Madhya Pradesh. Naulakha Parade Ground in Mahalgaon area. Many departments are recipients of the FIST, DST, New Delhi, RUSA and SAP grants from UGC, New Delhi. University runs different courses in M.A, M.Sc., M. Phil., Ph.D. etc. University also has well developed Central Instrument Facilities for the Characterization of the synthesized materials such as XRD, FTIR, TEM, LC-MS, Spectrofluorometer, Particle Size analyzer, DSC etc. Recently, the University has assessed and accredited by National Assessment and Accreditation Council (NAAC) with "A" Grade.

Gwalior City

Gwalior is a historical and major city in the Indian state of Madhya Pradesh. It is 319 kilometres south of Delhi, the capital of India. Gwalior occupies a strategic location in the grid region of India and the city and its fortress has been ruled under historic northern Indian Kingdom. From the Tomars in the 13th Century, It passed to the Mughals, then Marathas under the Scindias (1754).

It is famous for its Sangeet Gharana, named as Gwalior Gharana. It is believed that the famous gayak Tansen was from this city. Padam Vibhusan Ustad Amjid Ali Khan was born and brought up and trained in Gwalior. Ancient Gwalior huge fort has its own archaeological and historical importance. Sun temple a replica of Konark temple of Orissa was built by Birlas has its religious and tourist importance. Tigra dam, a huge water reservoir from the major source of drinking water for the city is an attraction of the region.

Post Independence, Gwalior has emerged as an important tourist attraction in central India as well as many industries and administrative offices came up within the city. The main tourist attractions in Gwalior are Gwalior Fort, Teeli-ka Mandir, Sas Bahu Mandir, Jai Vilash Palace and Gurudwara. The other tourist attractions in Gwalior are Man Mandir Palace, Vikramaditya Palace. Before the end of 20th century it became a million plus agglomeration and now a metropolitan city in the central India. Gwalior is surrounded by industrial and commercial zones of neighbouring districts (Malanpur-bhind, Banmore-Morena) on all three main directions.

Important Dates

Last date for abstract submission: 05/11/2019

Acceptance of Abstract: 08/11/2019

Last date for Registration: 05/11/2019

Submission of Abstract:

Author should submit an abstract and unpublished paper not exceeding 150 words without figures. The abstract should include:

Title: MS word in Times New Roman (font size 18)

Authors Name: MS word in Times New Roman (font size 14)

Affiliations: MS word in Times New Roman (font size 12)

Abstract: MS word in Times New Roman (font size 12)

Abstract should briefly include the purpose of study, methods results and conclusion. At the bottom of the page, please indicate the category (thrust area). Abstract should be submitted through e-mail.

Paper Submission:

The paper should be electronically submitted to following address

Prof. Radha Tomar

Email: radha_tomar11@yahoo.co.in

Mob. +91-9425341452

Registration Fee:

Delegates: 1000/- [05th November, 2019]

1500/- [After 05th November, 2019]

Students: 500/-

Delegates from Industries: 2000/-

Foreign Delegates: US/- \$150

- Accommodation will be provided in the University Guest House and Hostel. For Hostel booking please see the websites of different Hotels in and around Gwalior.
- Various nearby historical places such as Gwalior Fort, Shivpuri, Sun Temple, Agra Fort, Taj Mahal etc. will be visited in evening after the Conference presentation series.

Topics:

Mass Spectrometry
Vibrational Spectroscopy
Rotational Spectroscopy
Raman Spectroscopy
Electronic Spectroscopy
Nuclear Magnetic Resonance Spectroscopy
Infrared Spectroscopy
Molecular Spectroscopy

Spectroscopy in:

Material Science
Advanced Materials
Nuclear Chemistry
Natural Products
Sensor technology
Polymer Chemistry
Surface Chemistry
Environmental Chemistry
Waste Management
Bionanomaterials
Nanomaterials in Agriculture

National Advisory Committee

Prof. Jyotsna S. Meshram, RTM, Nagpur University, Nagpur
Prof. B.S. Tomar, BARC Mumbai
Prof. B.H. Mehta, Mumbai University, Mumbai
Prof. Ramesh Chandra, University of Delhi, Delhi
Prof. Siva Umamathy, Director, IISER, Bhopal
Prof. Siddharth Pandey, IIT Delhi
Prof. Pratik Sen, Department of Chemistry, IIT Kanpur
Prof. Jeevanandam, Department of Chemistry, IIT Roorkee
Prof. Shatendra K. Sharma, Jawaharlal Nehru university, Delhi
Prof. E. Arunan, Indian Institute of Science Bangalore
Prof. D. D. Pant, BITS Pilani, Rajasthan
Prof. M.P. Kaushik, Amity University, Gwalior
Dr. D.K. Dubey, DRDE, Gwalior
Dr. Arvind Kumar Gupta, DRDE, Gwalior
Prof. Rohit Srivastava, Dayalbagh Educational Institute Agra
Prof. Ashwani Kumar Srivastava, University of Mumbai, Mumbai
Dr. Arvind Kumar Saxena, Former Director, DMSRDE, Kanpur
Prof. N. Narasimha Murthy, Department of Chemistry, IIT Madras

International Advisory Committee

Dr. Parvez Ali, Head of Science Unit, Center of Health Studies, Riyadh, Kingdom of Saudi Arabia
Dr. Pankaj Konikar, Department of Optical Science, Tokushima University, Tokushima, Japan
Prof. Istvan Fabian, University of Debrecen, Hungary
Dr. Yi Yi Myint, University of Mandalay, Myanmar
Prof. Angel Rubio, Nano bio Spectroscopy Group, Spain
Prof. Huaqiang Cao, Department of Chemistry, Tsinghua University, China
Prof. Subin, Zhejiang University, China
Prof. Wee Han, University of Singapore
Prof. Chen Yin Thai, University of Singapore
Prof. Sanjay Mathur, University of Cologne, Germany
Prof. Yit-Tsong Chen, National Taiwan University, Taiwan
Prof. Pankaj Sharma, Chungnam National University, Republic of Korea
Prof. Bhupendra Singh, Chauhan, Pusan National University, South Korea

List of Invited Speakers

Dr. Parvez Ali, Head of Science Unit, Center of Health Studies, Riyadh, Kingdom of Saudi Arabia
Dr. Pankaj Konikar, Department of Optical Science, Tokushima University, Tokushima, Japan
Prof. Jyotsna S. Meshram, Department of Chemistry, RTM, Nagpur University, Nagpur
Dr. D.K. Dubey, DRDE, Gwalior
Dr. Arvind Kumar Gupta, DRDE, Gwalior
Prof. M.P. Kaushik, Amity University, Gwalior
Prof. Savita Khare, School of Chemical Sciences, DAV University, Indore
Prof. Uma Sharma, Vikram University, Ujjain
Dr. D. S. Bag, DMSRDE, Kanpur
Prof. Ajay Mishra, Department of Chemistry, Vidyasagar University, Midhnapore West Bengal
Prof. Rohit Srivastava, Dayalbagh Educational Institute Agra
Dr. Uma Pathak, DRDE, Gwalior
Dr. Arvind Kumar Saxena, Former Director, DMSRDE, Kanpur
Prof. Alok Srivastava, Punjab University, Chandigarh
