The minutes of the past meeting was circulated among the members. The house confirmed the minutes of the meeting held on 24<sup>th</sup> November 2014. The committee discussed about the future need looking into the interaction with the industries.

1. The representative from the Industry, Mr. Dharamveer Bhadoria suggested that the feedback from the industries while designing curriculum should be taken into consideration. He further said that the student of M. P. region are deficient in soft skills hence additional inputs be given for the same.
2. He further suggested that entrepreneurship cell be further strengthened and efforts be made to motivate passing out students to start their own ventures.
3. Industrial visits be carried out in those subjects where there is no industrial training so in order to make aware to the students about the working environment and needs of the industry.
4. The research should be more focussed towards the problem of the industries.

The meeting ended with the vote of thanks to the chair.
