“We are not here just to accept our award, get this medal and go back home. We are here to tell children especially that you need to stand up, you need to speak up for your rights ... It is you who can change the world.”

- Malala Yousafzai
Sports

Sports and games are an integral part of university system. Sports department of Jiwaji University is amongst top five departments in India. We have strong sports tradition and a rich legacy. On the occasion of foundation day celebrations, various sports and games were organized for Jiwaji University staff members and their families. Hon’ble Vice-chancellor Prof. Sangeeta Shukla in asserted the function by relieving pigeon on the occasion. These events prompt a spirit of unity and strength of university.

The competitions organized were Badminton, Table-Tennis, Tug of war, slow cycle race, Musical chair race, 100 mtr. Race, 2 Km walk and Jalebi race etc. In this even more than 400 employees took part actively. The programme was inaugurated by Olympian, Mr. Shivendra Chaudhary a Legendary Star of Indian Hockey. Higher education has potential implications for individual advancement, there is an extraordinary demand for higher education among India's young. Unfortunately, the higher education in India and Madhya Pradesh in particular failed to stand up to the National and International demands. Recognizing the above and the basic fact, that the Universities have to perform multiple roles, like creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool, through challenging teaching, research and extension activities so as to balance both the need and the demand, our Vice Chancellor Prof. Sangeeta Shukla felt it highly pertinent to have a 'Conclave of Vice Chancellor of various Universities and officials associated with policy decision at State Govt. level as part of Goldent Jubilee celebrations of Jiwaji University. The conclave was held on 22nd May, 2014 on theme titled 'Role of Higher education in regional development'. Prof. A.C. Pandey, Vice Chancellor of Bundelkhand University, Jhansi; Prof. Swatantra Sharma, Vice Chancellor, RMT Music University, Prof. A.K. Singh, Vice Chancellor, VS Agriculture University,
Prof. I. Mazumdar, Vice Chancellor, LNIPEE, Gwalior; Lt Gen VK Sharma, AVSM, Vice Chancellor, Amity University, Gwalior; Prof. Yogesh Upadhyay, Vice Chancellor, ITM University, Gwalior; Prof. Sandeep Kulshreshtha, Director, IITM; Prof. R.K.S. Chouhan, former V.C. Vikram University deliberated on various issues of Higher education. Prof. D.C Tiwari, Prof. O.P Agarwal, Prof. J.N Gautam, ex-Vice Chancellors of Jiwaji University besides other senior faculty members of all faculties of Jiwaji University took active participation in the conclave. The conclave to took stock of critical issues such as Policy planning in higher education, Evaluation and assessment systems, quality assurance in higher education, research in Universities etc. The theme of the conclave was introduced by Prof. R.J Rao, Rector of the University, Sri V.S Niranjan, Commissioner, Dept. of Higher Education, Bhopal was the Chief guest. Sri Niranjan discussed at length policies of issues faced by the Higher education and interacted actively with participants of the Conclave. The presidential address was delivered by Prof. Sangeeta Shukla, Vice Chancellor of Jiwaji University and felicitated Vice Chancellors of participating Universities. Vote of thanks was given by Prof. Anand Mishra, Registrar of the University.

MEMORANDUM OF UNDERSTANDING

In order to strengthen teaching in Schools of Studies, Prof. Sangeeta Shukla, Hon’ble Vice Chancellor, Jiwaji University initiated several measures such as inviting scientists from National laboratories, practical training of PG students at National laboratories, proposals to State and Central Governments for strengthening of infrastructure of laboratories etc. In order to develop quality human resource in various streams of Science, Jiwaji University developed collaborative ventures with various National laboratories of International reputation. The University Grants Commission has strongly advocated linking up of Universities with National laboratories for optimal utilization of specialized facilities and expertise available in these Institutions. Following MOUs were signed.

- MOU between Jiwaji University and National JALMA Institute of Leprosy and Other Mycobacterial Diseases, Agra on 11.03.2014 was signed. The Institute has state-of-the art facilities in Molecular biology and Immunology. In order to expose students of Biology streams of Jiwaji University to advanced facilities in this ICMR laboratory a MOU was signed by Prof. Sangeeta Shukla Hon’ble Vice Chancellor and Director, JALMA Institute.

- MOU between Jiwaji University and Defence Institute of Physiology and Allied Sciences, New Delhi on 22.09.2014 signed by Prof. Sangeeta Shukla, Hon’ble Vice Chancellor and Dr Shashi Bala, Director,. Both the Institutions agreed for exchange of scientists, faculty and students to each other’s Institutions. The MoU facilitates exposure of Jiwaji University PG students to state-of-the art facilities available at DIPAS and enables University research scholars to avail these facilities in their research. The PG students of Biology departments of Jiwaji University would now get an opportunity to listen to the lectures of leading scientists working at DIPAS as part of MOU.

- MOU between Jiwaji University and Defence Research Laboratory, Tezpur on 20.10.2014 signed by Prof. Sangeeta Shukla, Hon’ble Vice Chancellor and DR Vijay Veer, Director. The MOU will facilitate tapping of bioresources of North East India by researchers of Jiwaji Unversity.

- MOU between DRDE Gwalior and Jiwaji University, Gwalior was signed for 10 years on 24 Nov. 2014 for exchange of academics and research.
