

Jiwaji University, Gwalior
School of Studies in Biotechnology
M.P. Biotechnology Council, Bhopal Sponsored
“Intercollegiate Competitive Events on Biotechnology”
12-13 February, 2014

About the Event:

The M.P. Biotechnology Council is organizing Intercollegiate Competitive Events on Biotechnology in Bhopal, Indore, Jabalpur, Reewa, Sagar and Gwalior. The focus of the event is to generate interest in the subject among the students by providing a platform where students can compete and assimilate knowledge. The competitive events would be organized in collaboration with various Institutes of the State. School of Studies in Biotechnology, **Jiwaji University is the preferred host Institute for Gwalior district.**

Who Can Participate?

Students pursuing Biotechnology/Life Sciences at undergraduate and postgraduate courses in Colleges and Universities of the Gwalior district can take part in one or more of these events. The students willing to participate in these events should be nominated by the respective Colleges/Universities.

Objective of Event:

To provide a platform for inculcating competitive spirit amongst the State students
To create interest in the subject among the students of biotechnology

Incentives to Winner: Certificates will be distributed to both the winners and participants..
However, the winners of the event will be issued prizes and a rank certificate to recognize his/her talent in the field.
