Subject: Recommending district change for Government Madhav College, Chanderi

Respected sir,

I am writing to bring to your attention an issue regarding the parent district name for Government Madhav College, Chanderi, which is registered with AISHE (C-34727). Currently, the college's profile in AISHE displays the district name as GUNA, which is causing confusion and misrepresentation.

Government Madhav College, Chanderi, falls under the dominion of Government Nehru Degree College, Ashoknagar, as its lead college. As per the administrative and geographical alignment, the correct parent district name for Government Madhav College should be Ashoknagar and not GUNA. This discrepancy is not only misleading but also affects the accurate representation of the college's location and affiliation.

I would like to recommend and request that the parent district name for Government Madhav College, Chanderi, be rectified in the AISHE database. This correction will ensure that the college's information is aligned with its actual administrative setup and geographical location.

Looking forward to a positive resolution. Thank you.

Attachment: Letter of request for district name change from Government Madhav College, Chanderi.

Sincerely,

*Diksha*
