## ABOUT CONFERENCE -

SCHOOL OF STUDIES IN MICROBIOLOGY is honored to welcome the delegates at the National Conference on Recent Advances In Microbiology at Jiwaji University, Gwalior, Madhya Pradesh. Intensive applications of various microbes for the welfare of human beings, environment and all living organisms need to be focused in the present scenario. Microbes continuously evolve by becoming resistant and thus parallel scientific inputs into various fields need to be addressed urgently. Food safety, environment, drugs and other aspects have to be worked upon for bridging the gap between classical Microbiology and novel technologies which may revolutionize future research in this field. This conference will provide an opportunity to Scientists, Researchers, Academicians, Students and other professionals working in various fields of Microbiology and allied fields to interact with each other and share their research findings.

## ABOUT GWALIOR-

Gwalior is located in the Northern part of M.P. The city is well known for its true royals and is well connected by air, train and also by buses. Gwalior is also well renowned for legendary musicians like Tansen and Baiju Bawra.

## ABOUT JIWAJI UNIVERSITY-

Jiwaji University is NAAC 'A' Grade State University. The University was established on 23<sup>rd</sup> May 1964 and Dr. Sarvepalli Radhakrishnan, the then President of India, laid the foundation stone of the campus on 11<sup>th</sup> Dec. 1964.

## ABOUT DEPARTMENT-

School of Studies in Microbiology came into existence in 1995. The post graduate and Ph.D programmes in Microbiology offer

excellent opportunities for carrier advancement and students can look forward for being placed in private/ public/autonomous organization. School of Studies in Botany is one of the maiden departments of the University and runs M.Sc. M.Phil, Ph.D and D.Sc. courses. The department is supported by DST-FIST programme. Both Microbiology and Botany departments have been recognized as a Centre of Excellence by MPHEQIP-Bhopal.
