Profile of the Course:

Changes taking place both internationally and nationally are giving a totally new impetus to Indian business in the 21st century. In general, the study of business management provides the necessary knowledge and the right aptitude to operate in such a scenario. Jiwaji University started an MBA course in 1988. Since then the School of Studies in Management has been providing trained and qualified executives to meet the needs of industry and business prosperity. At Present the School is offering a wide spectrum of management programmes ranging from under-graduate to Doctoral level. These courses include BBA(Hons), BBA-HA(Hons) MBA(Full Time), MBA(HA), MBA(FA), MBA(HRD) and Ph.D.in Management. The School has already established its reputation for its innovative teaching, contemporary research and enterprise in various functional areas of management. The students undergo rigorous classroom learning which includes analysis of case studies, seminars, discussions, quiz etc. Industrial visits and in-company training are also part of the programme to enable the students to have a direct interaction with the functionaries of the corporate world.
