Profile of the Department:

The department of Physical Education was established in 1972. The department has been functioning as the Prime Nucleus for the organization of sports activities in various sports disciplines at college, university and National level. The department has already made a significant landmark in this direction. It has now taken an academic status and caters to the needs of the public in general and standard of Physical Education in the university in specific. This has given the necessary impetus for development of sports culture in and around Gwalior.

The Department has established itself as a leading sports centre in Gwalior-Chambal region and is presently catering to the sports needs of Children, Youths and old People by organizing scientific coaching camps in different games and sports. The sports complex of the university is being named as **Mahadji Scindia Sports Complex**. The University has got two flood light basketball courts with portable

uprights, three floodlight tennis courts, four volleyball courts (caged) one hockey ground, one grassy football ground, standard cricket ground with turf wicket, one Kho-Kho, two Kabaddi, one Handball, one Indoor hall for Table Tennis, Judo, Aerobics, Badminton, Wrestling, Weight-Lifting and a 400M grassy track. The NAAC committee has also appreciated the facilities developed by the department at the sports complex and found them of international standard. The X Plan UGC committee was highly impressed with the activities of the school of studies in Physical Education. The Mahadji Scindia sports complex is bubbling with one or the other sport activity round the year and is equipped with a modern indoor shooting range for air pistol and air rifle competitions. The facilities available in the sports complex are also being used by government as well as non-government organizations for conducting their sports program.
