About Seminar

The rapid expansion of social media has fundamentally transformed human interactions, society structures, and cultural dynamics. Platforms such as Facebook, X, Instagram, YouTube, and LinkedIn now serve as essential spaces for communication, learning, professional networking, public community formation. Their influence permeates nearly every aspect of daily life from shaping opinions and identities to driving political participation and economic activity. Recognizing the profound implications of this digital shift, Center for Studies in Journalism and Mass Communication, Jiwaji University, Gwalior, is organizing a National Seminar on "Social Media and Human Life." This event seeks to bring together scholars, researchers, professionals and students to engage in critical analysis and interdisciplinary dialogue. The Seminar aims to explore contemporary issues, emerging trends, and potential strategies for navigating the opportunities and challenges that social media presents in both the Indian and global contexts.

Key Objectives

- The primary objectives of this national Seminar are to
- *Promote research:* Encourage and disseminate high-quality, policy-oriented research on the socio-economic, psychological, and cultural impacts of social media.
  - *Facilitate knowledge exchange:* Provide a platform for scholars and practitioners from diverse backgrounds, such as, social sciences, media studies, psychology, and computer science to exchange insights and perspectives.
  - *Raise awareness:* Enhance public and academic awareness regarding the significant opportunities. Such as, civic engagement, education, business growth and challenges like, misinformation, mental health issues, privacy concerns associated with social media use.

Welcome to Gwalior

Gwalior, a city of heritage and natural resilience situated in the northern part of Madhya Pradesh. Gwalior is a historic city known for its majestic forts, vibrant cultural legacy, and evolving urban landscape. This palace abounds in historical richness of Gwalior fort, Jai Villas Palace, Jain Sculptures, and modern development as a smart city. It is well connected by rail, road and air and is situated nearly 315 km from Delhi and 100 km. from Jhansi. The weather during February end is usually quite pleasant.
