Each candidate must report at our NOIDA Divisional Office along with his/her Police Verification Report and testimonials in original with one set of photo copy.

Police Verification Certificate: A "Police Verification Certificate" is a report on the character and antecedents of an individual. The main job of CSEs, OEs, is to deal directly with customers and providing service to them. They interact with customers as Representative of our Organization. Hence, if there are any stray cases of theft, misbehavior, this reflects adversely on our image with the customer and with the public at large. So before employing any CSE, OE or Technician, we ask the candidates to get a "Police Verification Report (PVR)" as a tool, to give security and build trust in our customers.

After this they will be sent for a Pre-employment medical test as a part of selection process.

We shall then hand over their Appointment letter to them & Welcome them to PCI Family in Delhi, NCR and M.P.

Should you need any clarification, please feel free to contact us.

Thanking You,

for Pest Control (India)Pvt.Ltd.
