Subject: Guidelines for conducting National Teachers' Eligibility Test (NTET) by National Commission for Indian System of Medicine (NCISM).

Sir/Madam,

In accordance with the provisions of Clause (8) of National Commission for Indian System of Medicine (National Examinations for Indian System of Medicine) Regulations, 2023 vide notification dated 20th December 2023 laid down the minimum qualifications for a person to be eligible for appointment as Assistant Professor, Associate Professor and Professor in Indian System of Medicine Institutions. It had been inter alia provided that one of the essential qualifications for a person to be eligible for appointment as Assistant Professor, Associate Professor and Professor for first time in any of the colleges referred to in clause (1), (2) and (3) of section 17 of The National Commission For Indian System Of Medicine Act, 2020 is that he/she should qualify the National Teachers' Eligibility Test (NTET) which will be conducted by NCISM designated authority in accordance with the Guidelines framed by the NCISM.

In this regard, a preliminary information brochure is being attached with this communication. This may be brought to the knowledge of all the concerned.

This is issued with the approval of Competent Authority.

Copy to:

1. The Chairman, NCISM
2. All President, NCISM
3. All Members, NCISM
4. All Members, Advisory Committee for NTET.
5. COE, NCISM

Preliminary Information for conducting National Teachers' Eligibility Test (NTET)

Background and Rationale

The National Commission for Indian System of Medicine Act, 2020 ensures access to quality and affordable medical education, availability of adequate and high-quality medical professionals of Indian System of Medicine. It is therefore necessary to ensure that persons recruited as Assistant Professor, Associate Professor and Professor possess the essential aptitude and ability to meet the challenges of teaching at the Ayurveda, Unani and Siddha Colleges.

2. The eligible candidates as per Minimum Standards of Undergraduate Ayurveda Education Regulations, 2022; Minimum Standards of Undergraduate Unani Education Regulations, 2022; and Minimum Standards of Undergraduate Siddha Education Regulations, 2022; shall have to qualify NTET to become eligible to be appointed as Assistant Professor, Associate Professor and Professor in ISM Institutions.

3. The rationale of NTET is to produce teachers with:

- i. Ability to deal with diversified students;
- ii. Ability to impart knowledge and expertise and exude mastery of the subject;
- iii. Sets high expectations for all students and encourages them to achieve their goals

4. The NTET examination may be conducted by a suitable professional body designated by NCISM for the purpose. It will be conducted in accordance with the Guidelines hereunder.

Eligibility

5. The following persons shall be eligible for appearing for NTET:

- i. Any person who desires to take up teaching profession for the first time as Assistant Professor, Associate Professor and Professor in Indian System of Medicine who is possessing the requisite qualifications as specified in the National Commission for Indian System of Medicine
 - Minimum Standards of Undergraduate Ayurveda Education Regulations, 2022;
 - Minimum Standards of Undergraduate Unani Education Regulations, 2022; and
 - Minimum Standards of Undergraduate Siddha Education Regulations, 2022;
- ii. The Post-graduate degree students completed thirty months of Post-graduate Degree program shall be eligible to appear this examination.

Structure and Content of NTET

6. The National Teachers' Eligibility Test is to assess teaching aptitude, communication skills, classroom management, teaching, training and assessment technology, student psychology, andragogy, pedagogy or such other as may be specified by the commission from time to time.

7. The NTET will be aptitude based test.
